R&D credit estimate

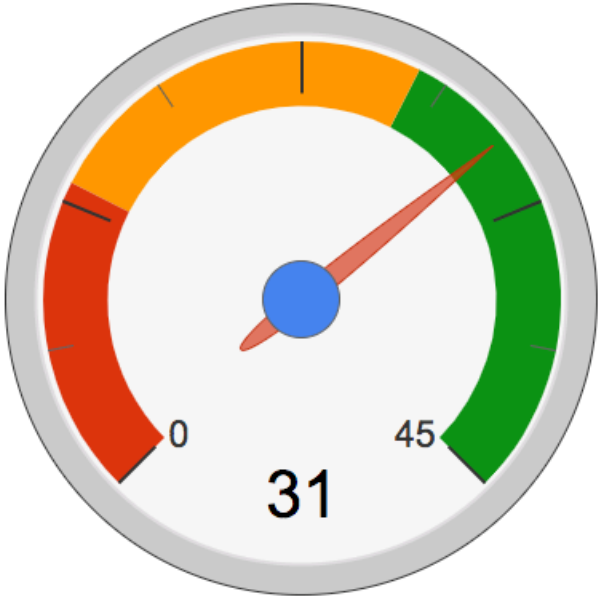

How we calculate your estimate

R&D staff costs	£60,000
Contractors & 3rd party	£350,000
R&D materials	£100,000
Eligible R&D spend	£387,500*
Corporation tax liability	£300,000
R&D tax credit estimate	£95,713*

*Calculated figures are estimates based on data you provided. A professional advice should be sought prior to submitting a claim to HMRC.

Your R&D score

What does my score mean?

- 27+** strong possibility to obtain R&D tax relief.
- 12-27** some activities may qualify for R&D tax relief.
- 0-12** some possibility your company's activities may qualify for R&D tax relief. **

** This does not mean a claim cannot be made and we can easily clarify this for you.
